Benefits: Competitive pay, paid vacation, sick leave and holidays, medical insurance and 401K with a match!

Responsibilities:

- Operate the automatic press machines to create decals
- Conduct quality control to ensure that the colors/decals match order specifications
- Cut decal paper to correct size & Quantity
- Check Film for errors prior to printing
- Maintain machine by doing minor maintenance
- Prepare and print nameplates and bases as needed
- Keep Print Area Clean and orderly

Requirements:

- Minimum of a high school diploma or equivalent required
- Desired prior experience in Silk Screening or equivalent educational experience
- Good hand, eye coordination
- Experience working in manufacturing environment
- Ability to lift up to 50 lbs
- Ability to stand for long periods of time
- Work efficiently and accurately through a large volume of projects
- Desired experience with basic computer skills
- Ability to read and write English
- Ability to communicate effectively
- Must pay close attention to detail
- Must be able to distinguish between and recognize different colors
